Scapa Flow?

Why diving in Scapa Flow?

The Sinking of the German Fleet at Scapa Flow in 1919

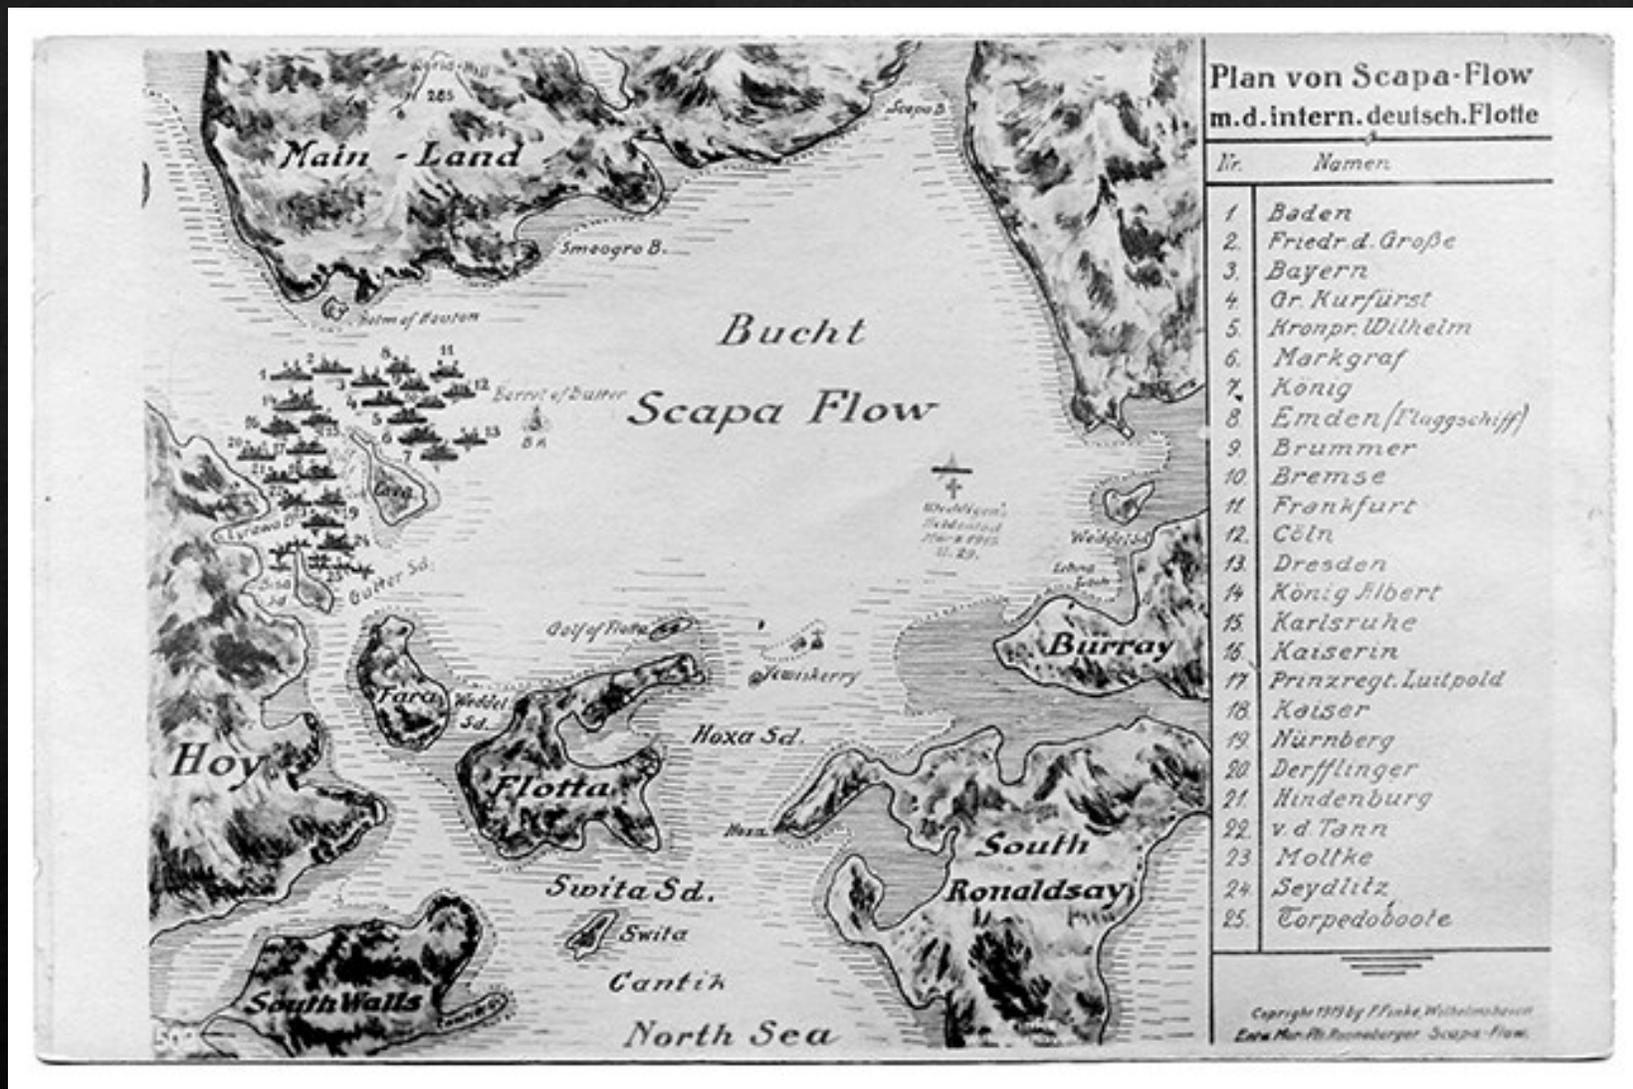

The **GRAND SCUTTLE**

DAN VAN DER VAT

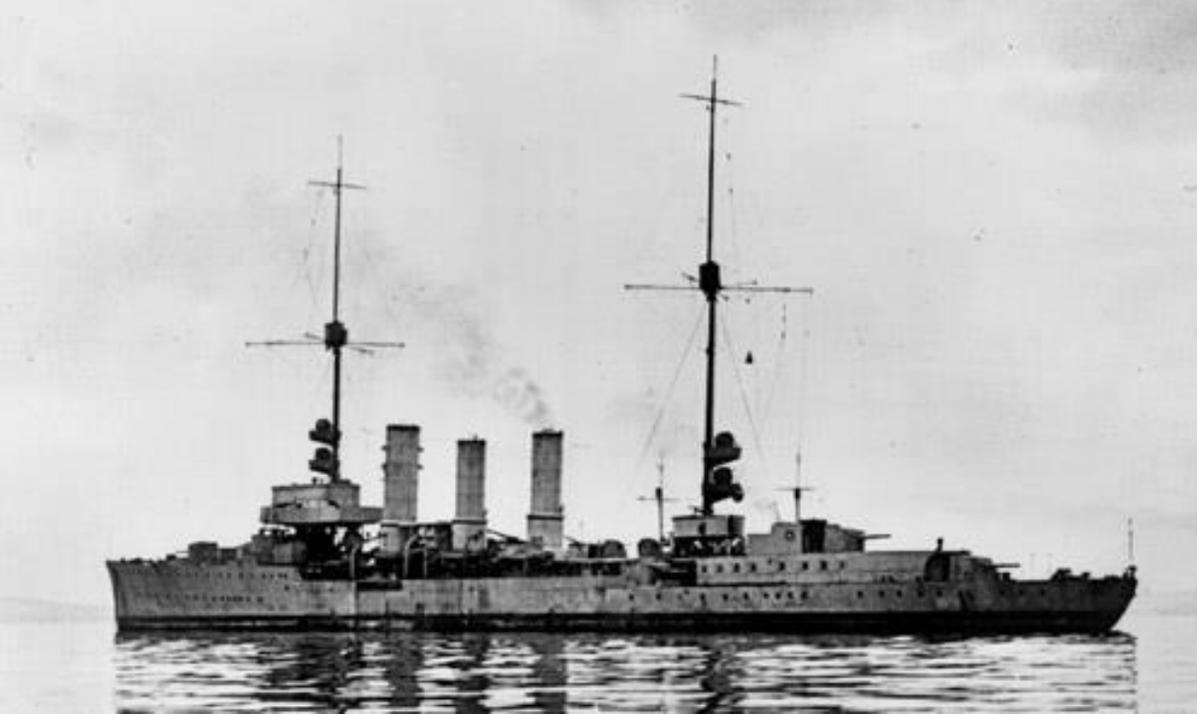

Scapa Flow is the top diving destination of the northern hemisphere and home to the scuttled German High Seas Fleet.

On the 21st June 1919 more than 70 ships, almost the entire German Navy, were scuttled under the orders of Admiral von Reuter.
